

## Waterloo Region Museum Upcoming Workshops

### Bread Baking

**Saturday, Feb. 11, 9:30 a.m. to noon**

Join workshop leader Amy Bradley as she has participants making and baking three different types of bread. Participants will learn how to read and use an historic recipe for one of the breads and will use modern recipes for the other two. \$20 per person plus HST.

### Helping Your Houseplants Thrive

**Saturday, Feb. 25, 9:30 a.m. to noon**

Are you having trouble keeping your houseplants healthy? Learn how to repot plants, take cuttings, fertilize and clean plants under the instruction of Bob Wildfong, Doon Heritage Village's Heritage Gardener. \$10 per person plus HST.

### Growing Indoor Seedlings

**Saturday, March 3, 9:30 a.m. to noon**

Back by popular demand! You will learn about seed germination, seed storage, soil, watering, lighting and tricks for keeping seedlings healthy and compact. Participants plant and take home a tray of heritage seeds/seedlings for their own garden and in the fall they can bring them back to enter their best produce in Doon Heritage Village's Fall Fair. \$10 per person plus HST.

### Pruning Trees and Shrubs

**Saturday, April 14, 9:30 a.m. to noon**

Learn the principles and methods of basic tree and shrub pruning in this hands-on workshop. Under the instruction of Bob Wildfong, Doon Heritage Village's Heritage Gardener, you will prune young trees, shrubs and vines. Learn how to shape and train woody plants, repair damaged branches, revitalize thin growth, and stimulate foliage, flower and fruit development. \$10 per person plus HST.

### Preparing to Garden

**Saturday, May 12, 9:30 a.m. to noon**

The novice gardener will learn all there is to know about starting a garden. This workshop will provide a hands-on overview of soil preparation, essential tools, watering, fertilizing and preventing weeds. \$10 per person plus HST.
